

The Piano Teachers Congress of New York was founded in 1926 “to promote interest in music in the home and community, to study principles of teaching, to discuss problems of the teacher and to stimulate helpfulness and friendliness among the teachers.” [Lester B. Major, First President]. The PTC achieves this mission by providing performance opportunities for the piano students of our members: twice yearly Incentive Recitals with Encore Recitals and Master Class, a 20th/21st Century Piano Music Festival, the Piano Plus!! Ensemble program, the Piano Salon Adult Recital, and the Honors Program with its Master Class and its Winners Recital. To stimulate interest about advancements in piano pedagogy, the PTC provide four or more professional workshops each year on new teaching tools for the piano teachers . The PTC is open to piano teachers in New York, New Jersey, and Connecticut.

The PTC is an IRS Code 501(c)(3) non-profit organization; tax-deductible donations may be sent to the Piano Teachers Congress of New York, 2121 Princeton Avenue, Scotch Plains NJ 07076
